

Music Together with Sonia

St. Bartholomew's Church sponsors this program as a family fellowship offering to our community for people of all faiths. We are happy to share our facilities for family fellowship with other approved organizations. Please email our church at stbartsdaytonsville@gmail.com for more information.

Music Together with Sonia is committed to helping families rediscover the pleasure and educational value of informal music experiences. We recognize that all children are musical and that every child needs a stimulating, supportive music environment to achieve basic competence in the wonderful human capacity for music-making!

Our focus is to bring The Joy of Family Music® making to all families with children from birth through age five and the adults who love them. We offer both indoor and outdoor classes in the church Memorial Labyrinth Garden.

Sonia, the Center Director of "Music Together with Sonia", has a bachelor's degree in Teaching and specialized in Musical Education for children K-12. In parallel, she studied Piano, Solfege, Music Theory, Transposition and Chorus at the Conservatory of Music in Reus (Spain) and has been teaching Music Together classes in the US for more than 15 years.

When Sonia was introduced to the Music Together program for the first time, as a mom with her 2 children, she immediately fell in love with it. Being a musician and a teacher for a long time, she was thrilled by the content, by the curriculum, by the research behind it and of course by the wonderful music. Sonia found the Music Together program to be a new, very attractive and inspiring way for her to teach young children and to work with their families through music.
